# Feeding the Athletes

---

**All San Diego area KofC Councils- we need your help to feed lunch to the Special Olympics Athletes during the Spring Games May 17th. **WE ARE FEEDING 600+ ATHLETES AND FAMILIES****

---

**Saturday May 17<sup>th</sup> 2024: West Hills High School, Santee 9:30am – 1pm**

How can you help?

1. Serve as event coordinator (San Diego lead will be at State Convention)
2. Lend us your grills, BBQs, griddles
3. Service Hours- we need 15-20 Knights to pull this off (cooking/serving)
4. Council or personal donations for food purchase
5. Donate space in Fridge/Freezers for the chicken filets purchased ahead

Many Knights will be at the State Convention so we need other Knights to step up because I cannot do it alone! Everyone is welcome, (Knights, wives, kids, teens needing service hours), and everything is free for the athletes, but we are asking local councils to support anyway you can, with your time, talent or treasure.

**If you can help, as a council or as an individual Knight, please call Past Chapter President Tom Davis at (619) 929 9964 or email [tomd68@gmail.com](mailto:tomd68@gmail.com)**
